

Albertsons Bay to Breakers

Presented by Your Local Chevy Dealers and The Examiner

The Bay to Breakers challenges you to raise funds for Junior Achievement of the Bay Area.

Ask any child what he or she wants to be when they grow up and you'll have an immediate response, because kids dream big about their future. Junior Achievement's mission is to provide the tools, skills, knowledge and hands-on experience to make those dreams come true. This means educating and inspiring young people to value free enterprise, business and economics in order to improve the quality of their lives.

Helping Bay Area kids create their future has been our business for over 50 years. Our success is attributed to our step-by-step K-12 curriculum and the support from our classroom volunteers and donors. Junior Achievement programs are based on three basic tenets: workforce readiness, economic education and the importance of staying in school.

Junior Achievement of the Bay Area programs are funded completely by the support of businesses, foundations, grants, individuals, and special events. Eighty-four percent of all funding goes directly to program services.
